

7th Annual
**UNDERGRADUATE
STATISTICS
PROJECT
COMPETITION**

(USPROC)

USPROC encourages the development of data analysis skills, enhances presentation skills, and recognizes outstanding work by undergraduate statistics students.

There are **two categories** for submissions to the competition:

**UNDERGRADUATE STATISTICS RESEARCH
PROJECT COMPETITION (USRESP)**

This competition is for undergraduate students who conduct methodological or applied research projects that are statistically related. Projects may include work from REU research projects, senior capstone research projects, or independent research projects that are not based on a specific course the student has taken.

CASH PRIZES
will be awarded in
both categories!

**UNDERGRADUATE STATISTICS CLASS
PROJECT COMPETITION (USCLAP)**

This competition is for undergraduate students who are taking an applied statistics course(s) at introductory or intermediate levels in which a class project is part of the course work (either required or optional).

Application website: www.causeweb.org/usproc

Submission deadline: May 31, 2016

and annually, on May 31 thereafter
